Located at the dog park inside the shopping center

About Walk & Wags: On September 21, 2019 walkers will take their dogs out for fun walk to show their support and raise awareness for Veterans Best Friend Indiana, Inc. There is a \$10 per dog donation to participate and each will receive a bandana with sponsors listed for their dog to wear along with a fun “doggy” swag bag for the first one hundred!

About Veterans Best Friend Indiana, Inc.: The objective of Veterans Best Friend Indiana, Inc. is to match a rescued dog that is selected and trained from the Indy area to veterans of any branch of service; including Gold Star Families. Clients are found via the VA hospitals, local medical clinics, special events and social media. We work with local shelters and independent rescues to find appropriate dogs for the program. We place cats with individuals that would prefer a feline friend.

VBF is committed to providing services to veterans by placing with them a trained, rescued, companion pet. Every pet paired with a Veteran is from a shelter, rescue, or in need of rehoming from a private individual, giving him or her a second chance at a new life with tremendous purpose.

How you can help: By donating you will help Veterans Best Friend Indiana, Inc. reach more veterans and rescue more dogs from area shelters. There are multiple levels of involvement allowing you to find the level that works for you. All sponsors will be listed on the bandana given out at the event and promoted on social media.
